Publishers and Sellers of Law Books call attention to their stock of Text-books and Reports. Callaghan & Company publish Cooley's "Blackstone;" "Torts;" and "Taxation." Knowlton's "Anson on Contracts" and other textbooks of the first rank. They also publish many of the western reports, including those of Illinois, Michigan and Wisconsin. They also publish the "Quiz Books" by C. C. Walsh covering work at University of Michigan Law School.

DEAR CLASSMATES:—

We take pleasure in submitting herewith a directory of our class. It has been a source of pleasure to us to note from your letters the success that has met the efforts of almost every '90 man.

This list is as complete as we could make it. If assured of sufficient co-operation we will issue a revised list in July, otherwise the second edition will follow one year hence.

The addresses that may be relied upon have a (*) preceding the name. We take it for granted that your class-spirit will prompt you to offer suggestions and corrections.

Yours sincerely,

CHICAGO, Jan. 10th, 1893.

L. A. D. G. A. K.

N. B.—We solicit suggestions as to a class-reunion in this city, during The World’s Columbian Exposition.
