UNIVERSITY
OF
MICHIGAN
Secretary's Note

The following is submitted as a partially complete law list of the Michigan '24 Laws. It contains the names and addresses of those of our class who have responded to either of the two requests sent out in an attempt to compile a complete directory. Some of these letters were returned undelivered and some were received but not answered. It also lists those whose addresses were furnished by friends and fraternity brothers.

It omits those of our class whose addresses could not be ascertained by reasonable search, and, since it assumes to be a law list only, it does not include those who are not known to be in practice. Names are listed both alphabetically and according to State and City addresses.

The list will be supplemented whenever sufficient new addresses or changes of address are sent to your Secretary, Fred Gielow at 1301 Ford Building, Detroit, Michigan.

This list is compiled in compliance with the direction of the Class at its reunion in June of this year, and it is hoped that it will fulfill the two-fold purpose of promoting interchange of business and social relations among the members of our class.

FRED GIELOW,
Class Secretary.
