MONTHLY PERIODICAL INDEX

This department lists the *articles* and *comments* which appear in twenty-five leading law reviews. The index embraces material published during the preceding month.

Limitations of space make necessary the inclusion of only the longer and more important items: articles and comments. Accordingly, decision notes (except those over five pages in length), book reviews and biographical articles are excluded.

(a) indicates a leading article. Where the title of an article or comment is not self-explanatory, an indication of its scope is added in brackets.
