STATEMENT OF PURPOSE

The central mission of the *Michigan Journal of Gender & Law* is to create a feminist legal publication that will help expand and develop legal discourse beyond traditional boundaries. The *Journal* is dedicated to providing a forum for exploring how gender issues and related issues of race, class, sexual orientation, and culture impact the lives of women and men. The *Journal* seeks to compare, contrast, and combine theoretical and practical perspectives on gender issues in order to provide a bridge between theory and practice. To achieve these purposes, the *Journal* will publish the views of legal scholars, social scientists, practitioners, students, and others. It is our hope that different views, however passionately held, will all receive discussion within the *Journal*. We welcome the submissions and responses of our readers.

PUBLICATION POLICY

The goal of the *Michigan Journal of Gender & Law* is to provide a forum for diverse voices. The *Journal* wishes to promote equal recognition of all authors and encourage the publication of pieces based on diverse experiences and viewpoints. In keeping with this goal, the *Journal* is committed to publishing the works of activists, students, practitioners, and others, as well as traditional academics.
