We stand with Black people fighting everyday against the devaluation of Black life.

We are committed to dismantling and disrupting harmful systems that have oppressed Black people for hundreds of years.

We are appalled at the police killings of George Floyd, Breonna Taylor, Tony McDade, and the many others who have died at the hands of those intended to serve and protect. We will continue to elevate their names, stories, and the voices of Black people that are and have been committed to fighting for justice.
