University of Michigan Law School
Errata: Quotation marks were omitted from a direct quote in an Article by Mark R. Brown entitled A Case for Pregnancy-Based Unemployment Insurance, which appeared at 29 U. Mich. J.L. Rep. 41 (1996). The text accompanying notes 149-51 at page 73 should read:

Even more disturbing is the fact that "99% of the increase in poor families in poverty [between 1970 and 1990] was an increase in poor families headed by females." While married-couple families had a poverty rate of 5.7% in 1990, "the poverty rate for families with a female householder was 33.4%." Nearly "53% of all poor families were headed by a female with husband absent."
