SPECIAL BOARD OF DIRECTORS ELECTION ISSUE

September 22, 1970

STATEMENTS OF CANDIDATES FOR
MEMBER-AT-LARGE

Nolan A. Bowie:

It was Carlyle who said, "God gave you that gifted tongue of yours, and set it between your teeth, to make known your true meaning to us, not to be rattled like a muffin man's bell." Thus, to avoid sounding "bell-like", I'll get right to the point. VOTE FOR ME AND I'LL SET YOU FREE !!

In all seriousness, if elected Member-at Large of the Lawyer's Club Board of Directors, I promise to serve with integrity and credibility.

In the area of leadership experience, I am perhaps the best qualified candidate, as I have served during the past four years as a commissioned officer (lieutenant) in the U.S. Navy. . . (Right-On, Establishment !). I've worked a year as a deputy probation officer, assisted in major and minor political campaigns, and served as a member of the Los Angeles Junior Chamber of Commerce's Human Relations Committee. I presently hold membership in BLSA and Legal Aid Society.

I favor the proposed two-week suspension of classroom activity which would allow for active political participation. I also favor the concept of "self-determination", Women's Lib, and the complete and immediate withdrawal of U.S. troops from Indo-China.

Therefore, it is my unbiased conclusion that I would, at least, make a tolerable Member-at-Large of this governing body.

Brian I. Brown:

For my position on various campaign issues consult the nearest bulletin board. Since I have only a hundred words I will describe some of my pertinent background.

I received the BSE and MSE from Michigan in 1963. I spent 1964 and 1965 in California working on the Apollo space program. From 1965 to 1968 I taught at the University of Detroit. The last two years I have been in Hawaii teaching at the University of Hawaii in Honolulu.

While at the U of D, I served on the Ad Hoc Steering Committee which formed the College of Engineering Faculty Senate. In 1968 I was a McCarthy delegate from Genesee County to the State Democratic Convention. At the U of H, I served as chairman of my department's Planning Co Committee which introduced autonomy into a previously autocratic department. This summer I campaigned for Tom Gill (D) for governor of Hawaii.

ELECTION THURSDAY !!

Some major issues are academic reform, minority recruitment and expansion of the Law School placement services.

1. Continued recruitment of women, blacks, and other minority members, and opening of adequate avenues of representation which will reflect these special interests.

2. Institution of clinical law programs; for first-year students, within their case clubs, for second-year students--receiving credit-hours for clinical experience.

3. Inclusion in courses of problems relevant to the needs of the poor.

4. Services should be expanded to include more placement and information for those students who are interested in participating in other Legal Services besides Corporate Law.
