Publications Chairman: Professor Yale Kamisar, University of Michigan Law School; **Managing Editor:** Harley Schwadron, University of Michigan Information Services; **Editor:** John R. The Cover: Graphics Designer Bill Howison has selected three historic photographs (thanks to Rob Jones, director of development, Law School, and the Michigan Historical Collections) centering around law activities. At top is a shot of the Law Building, the foundation and location of which eventually became Haven Hall, seen at lower right after one of its several renovations. Until the University Library Building was completed in 1883, the library was housed in the Law Building, a ca. 1877 view of which is the photo at lower left.
