BARTH HEADS FOOD INVESTIGATION

The Board of Directors has recently established a committee to investigate any possible basis for the numerous complaints about the food served at the Lawyers Club Dining Room. Chairman Barth told Res Gestae that the purpose of this committee is to "make improvements which are feasible and to report to the board on (their) findings." The special committee is working with the full cooperation of the Lawyers Club dietician, Mrs. Morgan.

The operations of the committee will probably go through several stages. The first will take place sometime early next week. A food questionnaire will be circulated at dinner. This will list practically every type of dish served at the Lawyers Club. The boarders will be asked to check each item as to whether they like, dislike, or are indifferent about that particular type of food. Chairman Barth stressed the importance of the boarders' sincerity in completing this questionnaire. Food is a very important part of our everyday existence, and has been the ground of much complaining during this year. If this complaining is justified the boarders can do the most to remedy the situation by taking this questionnaire seriously. As Chairman Barth said, "The committee would appreciate your honest cooperation, since this hopefully will benefit you directly."

The committee is made up of both juniors and seniors: Ken Handmaker, Dick Marshall, Bill Lambrecht, and John Wise. Of course, J. Edward Barth is Chairman.

After completing the study of the questionnaires the committee may look into the financial end of the kitchen to see if all the board money is being used most efficiently for food. They may also look into the buying policies and restrictions.

The committee and the Board of Directors sincerely hope that the students who board at the Lawyers Club will give their serious assistance to this committee when they are called upon to do so.

TWELVE ADVOCATES ENTER CAMPBELL SEMI-FINALS

March 8th and 9th, next Thursday and Friday, will be the dates for the semi-final round in the Campbell Competition for this year. Twelve Juniors have reached this stage of the competition: Art Brooks, Bill Jones, Jerry Jordan, Jerry McBride, J. McCarthy, Tom Vanduyke, Phil Wood, Pete Theut, Herby Snyder, John Krsul, Mike Metzger and Al Rothenberg.

There will be three rounds in the semi-finals: Thursday, March 8, at 3:30 and Friday, March 9 at 3:30 and 7:30. All the arguments will take place in the Practice Court Room. Anyone is welcome to watch the arguments. This is an especially good opportunity for Freshmen to watch oral arguments.

Often the Judges themselves are a big drawing card, and this round is no exception. "Judge" Proffitt will preside and "Judges" Cooperrider and Reed will sit with him on the bench.

The Campbell Finals will be held on April 4 and will be followed by the Case Club Banquet.

VISIT THE LAND THAT IS RESPONSIBLE FOR THE RULE IN SHELLEY'S CASE

A private party is arranging a person-to-person tour of England this summer, with emphasis on legal matters. The ten-day tour starts July 20, and with air travel is listed at \$786. Details are on the second floor bulletin board in Hutchins Hall. This looks like a rare opportunity for those interested in English Law or history.

OPEN HOUSE POLICY

Contrary to some talk, there is not an open-house in the Lawyers Club every week-end. The Board of Directors feels that these open-houses should be saved for special occasions and does not want to get in the position where, when such a special occasion does arrive, we will be unable to have an open-house.

Consult the Lawyers Club Bulletin Board, Director's Section, for confirmation of open-houses. This notice will be the official word.
