MONTHLY PERIODICAL INDEX

This department lists the *articles* and *comments* which appear in twenty-four leading law reviews. The index embraces material published since the last issue of this REVIEW.

Limitations of space makes necessary the inclusion of only the longer and more important items: articles and comments. Accordingly, decision notes (except those over five pages in length), book reviews and biographical articles are excluded.

(a) indicates a leading article. Where the title of the article or comment is not self-explanatory, an indication of its scope is added in brackets.

The periodicals which are covered in this index, together with their addresses, are as follows:
