HOWARD B. COBLENTZ PRIZE FOR 1942-43

This prize has been awarded to Malcolm MacNiven Davisson for his excellent work as a member of the editorial staff of the MICHIGAN LAW REVIEW.

Due to inadvertence, there was omitted from the comment entitled "Labor Law—Objectives Test for Determining the Legality of Labor Activities," published at page 1143 of the June issue, a footnote to the effect that the comment was based on a preliminary draft prepared by Harry M. Nayer and Eric Stein prior to their entering the armed services.—*Ed.*
