This policy includes students who enrolled through the Law Course Bidding Interface (CBI) or during the Drop/Add period from the waitlist and those students not enrolled but who are interested in enrolling, whether or not they are on the waitlist. Students who fail to attend the first class meeting WITHOUT making prior arrangements with the professor for an excused absence will have their name removed from the class roster or forfeit their enrollment opportunity. IMPORTANT—IF A STUDENT DECIDES TO DROP A SEMINAR OR CLINIC, S/HE MUST DO SO WITHIN 24 HOURS AFTER THE FIRST CLASS MEETING. This will allow another waitlisted student an expedited opportunity to enroll in the seminar or clinic.**
8. This clinic, seminar, or practice/simulation course **requires** students to follow **specific procedures** during the **active** registration cycle or forfeit their enrollment opportunity:
 - **Clinic Bidding**--requires students to request the clinic via the Law Course Bidding Interface (CBI). For clinic information or clinic waitlist questions, please contact Lou Anne Betts (clinic-applications@umich.edu), 734-764-4533, or Room P-11, Lawyers Club, Section P, First Floor.
 - **Seminar or Practice/Simulation Course Bidding**--requires students to **complete TWO steps: (1)** request the seminar or practice/simulation course via the Law Course Bidding Interface (CBI) **AND (2)** follow the "time sensitive" special sign-up procedure listed in the term specific on-line Registration Instructions. The Registration Instructions are located on the Office of the Registrar web site, click "Registration" in the left-hand column, click "Registration Instructions" in the middle column (<http://www.law.umich.edu/currentstudents/registration/registration/Pages/default.aspx>).
9. This clinic, seminar, or practice/simulation course has been designated a "**Prof Pick**."
 - **Clinic Bidding**--during the CBI Clinic processing, admission is by permission of the professor. The professor retrieves a list of students who requested the clinic and makes selections. If possible, the clinic coordinator assigns the selected students. NOTE--CBI limits class assignment to a maximum of **ONE** clinic. Students assigned to the clinics are uploaded into CBI and their 15 credit maximum is reduced by the clinic credits **before** the Seminar and Practice/Simulation Course registration period begins. During the Wolverine Access Drop/Add period, admission to this clinic off the waitlist is also by permission of the professor and **not** according to waitlist order. If a seat is available, the professor makes a selection from the waitlist. The clinic coordinator contacts the curriculum coordinator who creates an individual "time sensitive" permission code and e-mails the selected student so they can enroll themselves via Wolverine Access. For clinic information or clinic waitlist questions, please contact Lou Anne Betts (clinic-applications@umich.edu), 734-764-4533, or Room P-11, Lawyers Club, Section P, First Floor.

During the Wolverine Access Drop/Add period, admission to this seminar or practice/simulation course off the waitlist is also by permission of the professor and **not** according to waitlist order. If a seat is available, the professor makes a selection from the waitlist and contacts the curriculum coordinator who creates an individual "time sensitive" permission code and e-mails the selected student so they can enroll themselves via Wolverine Access.
