UNIVERSITY OF MICHIGAN

FELLOW CLASSMATE:

Over three years have passed since the eighth reunion of the class at Ann Arbor in June, 1940, and I agree with you that you are entitled to at least one communication between reunions.

The report following the eighth reunion told you that an even forty members of the class were present at that reunion, more than one-fourth of the one hundred forty-four living members of the class. Since that reunion, thirteen of that one hundred forty-four have died, including five who were in attendance at that reunion-- Ellick, Ford (Carl B.), Fead, Helfman and Stenberg.

Two of the five last named were members of the next Reunion Committee--Ellick and Fead. All of the class officers for the periods 1915-20, 1920-25 and 1925-30 have died. Below is a list of the members of the class who have passed on since the 1940 reunion, with dates of death. This list, it will be noted, includes the name of our faithful Secretary, Curtis L. Converse, who was class Secretary continuously from 1910 until his death on March 30, 1942:

George F. Anderson	November 9, 1942
Curtis L. Converse	March 30, 1942
Alfred G. Ellick	June 21, 1942
Louis H. Fead	February 4, 1943
Carl B. Ford	January 30, 1941
Otto H. Hans	December 18, 1940
Harry Helfman	July 15, 1941
Edward Y. Howell	February 6, 1942
Henry B. Potter	November 21, 1940
William B. Rodda	December 17, 1941
William E. Rydalch	May 12, 1941
Emil N. Stenberg	November 13, 1941
William G. Woods	February 17, 1941

R E S O L V E I

Now is the time to resolve and plan to come to the ninth reunion of the class at Ann Arbor in 1945 and meet as many of the remaining one hundred thirty-one as can be present.

HONORS

At a meeting of the Class Officers Council held at Detroit, Michigan, on March 24, 1943, our President, Walter G. Kirkbride, was elected President of the Class Officers Council and also a member of the Board of Directors of the Alumni Association.

CLASS MEMORIAL FUND

Our class memorial fund of \$5,152.00, which was to be loaned only to junior and senior law students under supervision of the Law Department Faculty, is in the list of specific endowments and, accordingly, is held by the Regents of the University. It is one of the largest class memorial funds in the care of the Regents. Those members of the class who have not as yet contributed to this worthy cause and who desire to have their names enrolled in the list of contributors to the fund which appears in each issue of the class directory, may still contribute, making such remittance payable to the order of Regents of the University of Michigan and send to the undersigned for transmittal.

1945 REUNION

If World War II is not over by June, 1945, we will consider passing up a formal reunion, but there is nothing to prevent as many of the boys gathering at Ann Arbor as desire to get together at that time.

You will hear further on this subject in due course.

The undersigned has some extra copies of his report on the 1940 Reunion and also some extra copies of the 1940 Directory, which he will be glad to forward upon request to those desiring the same.

CHANGES

If you are not located at the address to which this letter is mailed, kindly advise me of your proper address; and if you know of any members of the class who have changed their addresses since 1940 or who have died and whose names do not appear in the necrology list, please let me know.

Sincerely yours,

Associate Secretary  
Room 2125-33 North LaSalle Street  
Chicago 2, Illinois

LEGAL REVISIONS

Our class consisted of 24 students, which was to be joined  
only to Junior and senior law students under supervision of the Law  
Department faculty, as in the case of special assignments and, ac-  
cordingly, is held by the Faculty of the University. It is one of  
the largest class numbers listed in the case of the University. There  
is no record of the class, and the students are not listed in the  
case and the desire to have their names enrolled in the list of stu-  
dents in the list which appears in each issue of the class di-  
rectory, may still continue, making their presence known to the  
order of records of the University of Michigan and send to the under-  
secretary for information.

LEGAL REVISIONS

If World War II is not over by June, 1945, we will consider  
making up a formal petition, but have it ready to present as early  
of the first session of the year as possible to get approval as that  
You will need further on this subject in the future.  
The petition has been extra copies of the petition on  
the 1945 petition and also need extra copies of the 1945 directory,  
which will be filed in forward upon request to have bearing the  
case.

LEGAL REVISIONS

If you are not satisfied with the action to which this letter  
is related, kindly advise me if you prefer directly and if you know  
of any members of the class who have changed their addresses since  
last or you may find out their names in the directory  
list, please let me know.

Sincerely yours,  
  
Director, Law School  
University of Michigan  
Ann Arbor, Michigan
